

West Virginia Behavioral Health Planning Council Report of Committee Activities

Vision: The West Virginia Behavioral Health Planning Council is a unified voice that promotes wellness, recovery, and resiliency for all West Virginians.

Goals:

- Implement an integrated approach for the collection, analysis, interpretation, and use of data to inform planning, allocation, and monitoring of the West Virginia behavioral health service delivery system.
- Build the capacity and competency of West Virginia’s behavioral health workforce and other stakeholders to effectively plan, implement, and sustain comprehensive, culturally relevant services.
- Increase access to a continuum of culturally and linguistically competent, integrated behavioral health prevention /promotion, early identification, treatment and recovery services that are high quality and person-centered.
- Manage resources effectively by promoting good stewardship and further development of the West Virginia behavioral health service delivery system.
